

ACM ICPC Asia Amritapuri Site 2014 Regional

Registration & Online Contest Rules

1. Registration is "ACCEPTED" at Baylor Site only after the following criteria are satisfied.
 - a. Coach has to register with his/her official email id. In case of non-official email ids, the department head has to certify that the coach is a faculty member of the department. This may be done by email also.
 - b. All the team members complete their registration by filling the required information in the Baylor Site.
 - c. Registration fee is received as demand draft at RCD's office on or before the last date of the Registration.
2. Online Contest is scheduled on 11th October, from 06:00 to 09:00 PM with 4 problem sets
3. If any team is found involved in cheating, the team will be banned from attending the contest at all the three sites in India.
4. Copying the source code in other online compilers / editors may end up with another team using the code and both teams being disqualified at all the three sites in India.
5. Only teams who have solved at least one problem are eligible for ranking.
6. Based on the last year's count, it is assumed that the number of institutions in the rank list will not be more than 250. Hence the number of teams to be selected for the onsite contest is not more than 250.
- 7. Selection of teams to the onsite contest is as follows:**
 - a. Teams who are found cheated/copied/shared the code are eliminated from the rank list.**
 - b. Top team from each institution is selected first.**
 - c. Remaining slots are filled based on the rank, provided the number of teams selected from one institution does not cross 10 and the team has solved at least two problems.**
8. Appeals, if any, shall be submitted only by the coach, within 3 days after the contest. The decision taken by the RCD committee will be final and binding on the team.
